

EON Passive Sampler PFAS-Free Materials List

Equilibrator™ Passive Diffusion samplers are manufactured from the following materials and Do Not Contain PFAS:

Component	Material	Status
Diffusion Membrane*	Low Density Polyethylene (LDPE)	No PFAS Ingredients/Rinsate Data
Black Mesh	Low Density Polyethylene (LDPE) & Carbon Black	No PFAS Ingredients/Not a Listed COC
White Fill-Nozzle	High Density Polyethylene (HDPE)	No PFAS Ingredients/Not a Listed COC
Compression Band	300 series Stainless Steel	No PFAS Ingredients/Not a Listed COC
Zip Ties	Polyamide (Nylon™, polypropylene available)	Not a Listed COC
Connecting rings	300 series stainless steel	No PFAS Ingredients/Not a Listed COC
*Optional Diffusion Membrane	High Density Polyethylene (HDPE)	No PFAS Ingredients/Not a Listed COC

Small Diameter Passive Diffusion samplers are manufactured from the following materials and Do Not Contain PFAS:

Component	Material	Status
Diffusion Membrane	Low Density Polyethylene (LDPE)	No PFAS Ingredients
Mesh (on 1.3-in size)	Low Density Polyethylene (LDPE) & Chromium Oxide	No PFAS Ingredients/Not a Listed COC
Zip Ties	Polyamide (Nylon™, polypropylene available)	Not a Listed COC
Connecting rings	300 series stainless steel	No PFAS Ingredients/Not a Listed COC

HDPE HydraSleeve™ No-Purge samplers are manufactured from the following materials and Do Not Contain PFAS:

Component	Material	Status
HydraSleeve Body	High Density Polyethylene (HDPE)	No PFAS Ingredients/Not a Listed COC
Spring Clip	300 series stainless steel	No PFAS Ingredients/Not a Listed COC
Top Collar Weights	300 series stainless steel	Not a Listed COC
PVC Collars	PVC	Not a Listed COC

EON Suspension Tethers for Passive Samplers are manufactured from the following materials and Do Not Contain PFAS:

Component	Material	Status
3/16-in or 1/8-in dia suspension cord	Polypropylene	No PFAS Ingredients/Not a Listed COC
Zip Ties	Polyamide (Nylon™, polypropylene available)	Not a Listed COC
Connecting Rings	300 series stainless steel	No PFAS Ingredients/Not a Listed COC
Snap Connectors	Acetel	No PFAS Ingredients/Not a Listed COC
Well Caps-Body Materials	Polyamide (Zytel)	No PFAS Ingredients/Not a Listed COC **
Well Caps-Sealing Gasket	Santoprene (EPDM+Polypropylene)	No PFAS Ingredients/Not a Listed COC
Stainless Steel Weights	300 series stainless steel	No PFAS Ingredients/Not a Listed COC

COC: Compound of Concern, (PFAS)
